

## Horizon Europe - Cluster Information Days

### What is a Cluster Information Day?

Information Days present the research and innovation topics proposed under each Thematic Cluster of Horizon Europe. These latest events, led by the European Commission, will discuss specific funding calls scheduled for 2024.

These events are delivered from Brussels and are sometimes available to attend in person. However, they are also live streamed, and recordings/presentations are made available to view retrospectively. This is useful considering the potential issues caused by time difference between Europe and New Zealand.

Registration is available via the links below.

---

### Why should you consider attending an Information Day?

- You will learn about all call topics and identify those where your ideas may fit best.
- You will have the opportunity to learn first-hand guidance about proposal preparation and submission.
- You can ask questions related to proposal submission directly to experts in the field and have feedback – questions can be submitted in advance.
- You could meet potential partners interested to form a consortium in the future.

---

### Future Scheduled Events:

#### **Horizon Europe info day - Cluster 6 (Food, Bioeconomy, Natural Resources, Agriculture & Environment)**

- Wednesday 27 September 2023, 09:00 - Thursday 28 September 2023, 17:00 (CEST)
- In Person/Online

*An in-person brokerage event will take place on 26 September 2023 at the European Commission in Brussels. The main objective of the brokerage is to gather all relevant stakeholders intending to apply for funding in the Horizon Europe - Cluster 6 Calls 2024, from Europe and beyond, interested in the same topics, seeking to share new project ideas and help them to find collaboration partners.*

#### **Horizon Europe info day - Cluster 4 ('Digital, Industry and Space')**

- Wednesday 11 October 2023, 09:00 - Thursday 12 October 2023, 16:15 (CEST)
- Online Only

#### **Horizon Europe info day - Cluster 5 ('Climate, Energy and Mobility')**

- Tuesday 17 October 2023, 09:00 - 17:00 (CEST)
- Online Only

#### **Horizon Europe info day - Cluster 2 ('Culture, Creativity and Inclusive Society')**

- Wednesday 18 October 2023, 09:30 - 16:00 (CEST)
- Online Only
